NSW Police Legacy & AFP Legacy, July Camp New Zealand

In July this year, my sister and I were lucky enough to join NSW Police Legacy and AFP Legacy Legatees on a trip to New Zealand. It was action packed and we really enjoyed catching up with friends we've met on previous trips and making new ones. There were so many highlights it's hard to choose just a couple, but here goes. We flew out of Sydney to Auckland with all the other legatees and supervisors. After unpacking we had a big talk with the supervisors about the itinerary and we all got really excited.

Following a buffet breakfast before we headed to the Auckland War Memorial Museum for a guided tour. It was a beautiful museum filled with so much history on New Zealand and the Maori people.

We went to Rotorua, stopping to see the glow-worm caves on the way which were absolutely beautiful. One of the supervisors, Kenny, shared his amazing musical talents with us while we were in the caves. We went on a delicious dinner cruise on the first night which fuelled us for the next day which was all about adventure! We went to an adventure park which had a big swing (otherwise known as the scream maker), a jet boat course, a "shweeb" racer and a freefall extreme. It was a super fun day.

Every trip we go on feels like it the best one ever, so it's no surprise that my sister and I think this one was the most fun. We are forever grateful to NSWPL and AFP Legacy for giving us these opportunities and want to thank the awesome supervisors who take their own time to come on the trips and all the people who support legacy and raise money to fund these programs. These camps create experiences, memories and what we are sure will be lifelong friendships. *Georgia Stirling, AFP Legacy Legatee*

Far North Queensland Charity Golf Day 14 September 2018

This year 20 teams registered to play in the FNQ Charity Golf Day at the

Half Moon Bay Golf Club, Yorkeys Knob. A fun day was had by all and numbers were definitely up this year! We are extremely grateful for all the hard work the FNQ Policing community puts into this event. It was extremely well supported by local business', the policing community and attendees. This year the day raised \$11,500, all being donated to AFP Legacy. This generous donation will help our AFP families in need.
